

Fall 2007

Dear Athlete,

I would like to take this opportunity to invite you to make application for NBC's 2008 International Tours.

Of all the things we do at NBC Camps the most dynamic and special is our International Tours. It is a huge commitment on your part, our part and our foreign contacts. Our promise to you is to give you the very best experience possible. We truly believe you will return home a "new and better" person.

Without hesitation, we can say for hundreds of students, an NBC Tour was the highlight of their high school careers.

- Educationally you will grow, learn and develop a world vision for your life.
- Psychologically you will develop new and important social skills, have more self-confidence and develop leadership skills.
- Spiritually you will be in an environment where personal faith in God is encouraged and will empower you to greater personal joy and achievement.
- Athletically you will improve as a player, as you will be playing very competitive international teams.

This past summer I traveled with three of our tours in England. We experienced the floods, saw awesome sites, experienced great competition and wonderful home stays. I then had the privilege to travel with the Girls II Tour to Finland and the Baltic States. What amazing memories we all have of those two weeks in August. This makes me so excited for the opportunities for the summer of 2008!!

We are enclosing some necessary paperwork that needs to be completed and returned with a nonrefundable deposit of \$750.00 USD by November 22, 2007. We need the following:

1. Letter of recommendation from parent(s) telling us about you and assuring us that they are supportive of you traveling during the 2008 summer
2. Two confidential references. One recommendation should be by a Pastor or family friend and one from a coach or teacher.
3. Athlete Information Sheet.
