VI. THINGS YOU NEED TO KNOW:

1. NBC Tours has been sending out tours from our camps for over thirty years. It is our goal to give the athletes a great experience and their money's worth. The students will have many opportunities to compete, meet people, grow in their understanding of Jesus Christ, and develop lifelong friendships. We have a three-fold purpose for sending out the tours:
 - a. To provide an environment for athletes to grow in their understanding of whom Jesus Christ is.
 - b. To increase enthusiasm for sports and improve athletic skills through a broad level of competition.
 - c. To promote international goodwill.
2. The 2010 tours will be during June, July and/or August. Summer training camp (2 days) will be held at a site nearest the departure city immediately prior to the overseas tour.
3. *Begin the process of applying for your passport immediately.*
4. **The athlete/parent is responsible for the cost of transportation to summer training camp** held just prior to the overseas tour. NBC Tours will be responsible for transportation from the summer training campsite to the appropriate airport for travel overseas. **The athlete/parent and coaches are responsible for his/her own transportation HOME FROM the airport after the tour has concluded.** The athlete/parent is also responsible to provide his/her own travel and medical insurance. **The purchase of Travel Insurance will be required** (information on Travel Insurance will be included with the manual from our Travel Agent).
