

NBC TRAVEL TEAM PROGRAM OVERVIEW

The NBC Travel Team program gives student-athletes the opportunity to compete internationally, build friendships and leadership skills, and experience new cultures through basketball or volleyball. Each tour team will go to one tour country, sightseeing and traveling during the day and then competing in the evenings against local club teams. In summer 2027, NBC teams will travel across Europe for an unforgettable experience on and off the court.

NBC Camps, a proud member of the US Sports Camps family that includes Nike Volleyball and Nike Basketball, is built on the belief that Nothing Beats Commitment. For more than 50 years, NBC has focused on developing not only skilled athletes, but strong individuals. NBC Travel Teams prioritize integrity, excellence, and gratitude, following a proven formula for success rooted in personal faith, compassion, and servant leadership.

What's Included:

- Training Camp in Auburn, WA

TEAM AIRFARE

Team airfare is an additional cost, separate from tuition, and **must be paid by January 15, 2027**. Because athletes are minors traveling internationally without parents, NBC Camps will book all team flights through group airline reservations. **Estimated airfare is \$1,500–\$2,300 per athlete.** Exact costs will be announced in January and paid through the athlete's NBC Camps account. Due to group booking restrictions, athletes must book through NBC Camps and cannot use airline miles or points.

TRAINING CAMP

All teams will begin with a **3-day training camp near Seattle, WA**. Camp allows the team to practice, build chemistry, and prepare for international competition. Athletes and families are responsible for transportation **to training camp** and transportation **home from Seattle-Tacoma International Airport** at the conclusion tour.

FINANCIAL COMMITMENT & PAYMENT SCHEDULE

Payments are structured to help families plan ahead:

\$1,500 deposit (non-refundable, due after acceptance or by December 1, 2026)

January 15: Flight cost due (between \$1,500-\$2,300)

\$1,650 due March 31, 2027

\$1,650 due June 1, 2027

COMMUNICATION WHILE ON TOUR

NBC emphasizes team engagement and presence. Athletes will be allowed limited phone time in the evenings to check in with family and friends. Phones are collected overnight as part of a “lights out” policy to ensure adequate rest. Communication time may be limited, but athlete safety and well-being are always the top priority.

TOUR SCHEDULE EXPECTATIONS

International travel requires flexibility. Schedules may change due to travel, competition, or local circumstances. Coaches and coordinators prioritize athlete safety, growth, and enjoyment. Not all schedule changes will be communicated to parents, as staff focus on managing the team and logistics on the ground. Athletes can expect to sightsee around a few cities in their tour destination country and play 4-7 games while on tour.

ARE YOU A GOOD FIT FOR AN NBC TRAVEL TEAM?

Strong Candidates Often:

- Enjoy learning about new cultures and meeting new people
- Adapt well to schedule changes
- Handle long days and limited sleep well
- Are comfortable being away from home with limited communication
- Follow rules and respond well to instructions

This May Not Be the Right Fit If You:

- Need frequent communication with family or friends
- Struggle in team environments
- Become easily stressed by unexpected changes
- Require a strict sleep routine or significant alone time
- Have difficulty consistently following rules

If you're looking for a challenging, rewarding international experience that pushes you both on and off the court, the NBC Travel Team program may be a great fit for you.
